1429 Twisted Oak Dr, Chapel Hill NC 27516
(919)967-9040/pk@pkoetting.com /www.pkoetting.com

PROFESSIONAL EXPERIENCE

Independent consultant and expert witness with over 40 years experience in providing statistical analysis of financial accounts. Assist attorneys with damages related to investment and banking accounts for Statement or Answer of Claim, and assist triers of fact at mediations and judicial hearings.

Retained by securities attorneys, expert witnesses, and brokerage firms representing *Claimants* or *Respondents* in more than 2,000 cases involving the analysis of well over 5,000 accounts with securities including stocks, bonds, ETFs, options, mutual funds, commodities, derivatives/structured products, etc.

Established and maintained the P&L Analysis section for the in-house legal department of a major broker-dealer, including the analysis program, format and procedures.

Testified in FINRA (NASD), NYSE, AAA, JAMS Hearings. Appointed as a third party independent expert by the United States District Court, District of New Jersey in an Application for Judicial Assistance re Letter Rogatory from the Argentine Court at the agreement of both Claimant's and Respondent's counsel.
